# Honoring Legacy

In 2025, LCF received legacy gifts from three individuals who chose to invest in Lodi's future. These donors arranged for their charitable wishes to be carried out through the Foundation, ensuring their values live on for generations. Together, their gifts total approximately \$25 million, creating a permanent source of support for Lodi nonprofits and the people they serve.

## Program Highlights

### Back Office Nonprofit Empowerment Support

Thanks to a grant from the Silicon Valley Community Foundation, the Lodi Community Foundation launched the Back Office Nonprofit Empowerment Support (BONES) initiative to provide local nonprofit leaders with access to expert consulting in core areas of organizational health. Lodi House, LOEL Senior Center, and One-Eighty Programs were the first organizations to receive support through BONES.

*"This unique and valuable partnership is one that I am especially grateful for as we explore new ways to strengthen and expand our organization, both today and into the future."*

— Janelle Wilkinson, President/CEO, LOEL

### 209Gives Matching Grants

LCF awarded **\$12,775** in total matching grants to 15 local nonprofit organizations in support of 209Gives—an annual online giving day, designed to strengthen local nonprofits and inspire community-wide philanthropy.

### Food Now Fund

Through a partnership between the Lodi Community Foundation and the San Joaquin Community Foundation, the Food Now Fund was launched to help local food banks meet increased demand stemming from uncertainty around SNAP (CalFresh) benefits. Thanks to generous individual donors and matching grant contributions, the fund has already provided over **\$70,000** in total support to Bread of Life, Emergency Food Bank Stockton, Grace & Mercy Charitable Foundation, Lodi Salvation Army, and Second Harvest.

*"Thank you again for your willingness to come alongside us to assist those most in need in our community."*

— Cheryl Francis, Founder at Grace & Mercy

### LCF 2025 Grants Program

LCF awarded **\$50,000** in total to 16 local nonprofit organizations through its 2025 open grant application cycle to support special projects, programs and initiatives serving area residents.
